

CERTIFICATE OF INTERNSHIP

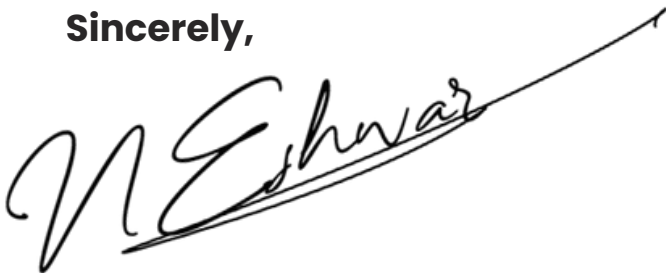

21 March 2024

Dear Mahran Saifi

This is to confirm that candidate successfully completed a one-month internship in Software Development Engineering (SDE) at InternPixel. Throughout the internship, candidate demonstrated excellent attention, enthusiasm, and expertise in many facets of software development. Their dedication to study and proactive approach to work has been admirable, demonstrating a solid foundation of technical skills and a great interest in the field.

Throughout the internship, the candidate delivered exceptional results, continuously meeting and exceeding expectations. Their contributions were crucial, as seen by their participation in a customer project that demonstrated not only technical proficiency but also strong teamwork and problem-solving skills. Candidate's diligence and adaptability have been critical in producing high-quality products, garnering them respect from colleagues and supervisors alike. Thank you from the team InternPixel.

Sincerely,

Eshwar Nagaraj
